HOUSING

Innsbruck is a town with almost 30.000 students, so it's

very important that you start finding accommodation **as soon as possible**.

Please keep in mind that it might be more difficult for the winter term than for spring term.

For all accommodation it's „first come – first serve“. Arranging your accommodation has to be at the very top of your to-do list when preparing your ERASMUS-stay in Innsbruck!

Welcomeday takes place on the first day of term. You may still be able to move into your flat earlier to acclimatise in Innsbruck.

I. YOUTH HOSTELS

for the first days ...

Student homes usually rent only for full months, starting on the first Monday of a month. Only if available, you can also move in earlier. You need to check with the dorm if this is possible. Otherwise, it can be necessary to book a hostel etc. for your first days in Innsbruck.

- **Hostel Nepomuk's** - small, basic, good rates, in the middle of the historic centre of Innsbruck www.nepomuks.at
- **Hostel Marmota** — new hostel, good rates, modern rooms www.hostelmarmota.com
- **Jugendherberge Innsbruck** www.youth-hostel-innsbruck.at
- **B&B Tautermann** HYPERLINK www.hotel-tautermann.at
- **Basic Hotel Innsbruck** central location, modern www.basic-hotel.at

2. RENTING ROOMS, (SHARED) FLATS

The student unions' "Wohnungsbörse" is a website we can recommend: www.oehboersen.at

You will find many offers also for short term renting (3 – 4 months). You can search by category or by district (Wilten and Tivoli would be closest to Pastorstraße, Hötting, Klinik/Uninähe too but more expensive, Saggen, Reichenau, Pradl are cheaper).

Before transferring any money try to make sure the offer is no fraud. Check the address, show the offer and have a conversation with people you trust. Commissions are not allowed for offers at the "Wohnungsbörse", commissions of estate agents start at three monthly rents.

3. DORMITORIES

3.1. ÖAD-housing service for ERASMUS students

The Austrian Academic Exchange Service (OeAD) offers a housing service for ERASMUS students, but only a limited number of rooms (especially single rooms) are available. There are double and single study-rooms; kitchen and bathroom are usually shared.

The payment of a reservation deposit is compulsory otherwise you will get no room. **Please apply as soon as possible! The rooms are allocated “first come first served”.**

Procedure:

- You have to apply online and pay a deposit.
- The agency will send you an offer, you have 7 days to accept or turn down this offer.
- Costs: Deposit plus; administration fees will be charged according to the residence contract; each month EUR 18,00 are deducted from your deposit. (In some of the student accommodations an additional deposit may be charged upon moving in – information about this can be found in the information leaflet which you will receive together with the confirmation of your booking.)
